

Donations

The work of St. Andrew's Nursing Home is partially funded by government grants and subsidies. Charitable donations go towards sustaining and keeping our services accessible at an affordable cost. Your support for our work will go a long way towards improving the lives of our ageing community.

Tax deduction will be given to donations of S\$50 or more. Do contact us to find out more.

Volunteering

The best gift for the community... Yourself

St. Andrew's Nursing Home welcomes you to share your time, to bring enriching and memorable experiences to all we care for.

There are many ways to contribute your skills and talents to bring joy and hope to our beneficiaries as well as experience personal satisfaction.

Do contact us to find out more.

Residential Services

St. Andrew's Nursing Home (SANH) is a service of St. Andrew's Mission Hospital. Located at Henderson and Queenstown, SANH provides integrated residential care (including dementia care), centre-based nursing care and home care services for the elderly.

Many of the residents from St. Andrew's Nursing Home require long term care and close nursing supervision. With an integrated residential service that provides ongoing care as well as help with daily activities, it is our intent to provide the residents with compassion, love and assurance to bring comfort, healing and hope.

St. Andrew's Senior Care

Enhancing the holistic well-being of our seniors. We bring out the best in you!

Each nursing home has a co-located senior care centre - St. Andrew's Senior Care (Henderson and Queenstown). These two centres offer day care and rehabilitation services to the seniors residing in the vicinity.

St. Andrew's Senior Care (SASC) services include:

Maintenance Day Care

Care for seniors while caregivers are at work. Includes social-recreational activities and exercises.

Dementia Day Care

Care for seniors, diagnosed with mild and/or moderate dementia. Includes structured social and physical therapy programmes to improve seniors' well-being and caregiver support.

St. Andrew's Senior Care

Community Rehabilitation

Physiotherapy and occupational therapy for seniors recovering from stroke, hip fracture and other illnesses.

Centre-based Nursing

Simple nursing procedures such as wound dressing, stoma dressing, etc.

Home Care Services

Home-based care which includes medical, nursing, therapy and personal care.

Referrals for Admission

Referrals for admissions are to be made through the Agency for Integrated Care (AIC).

Government subsidies are available to Singapore Citizens and Permanent Residents through means testing.
