Love NEVER FAILS

LOVE NEVER FAILS

Love is patient, love is kind... It always protects, always trusts, always hopes, always perseveres. **Love never fails.**

1 Corinthians 13:4-8

St. Andrew's Mission Hospital (SAMH) and Singapore Anglican Community Services (SACS) are the healthcare and community service arms of the Anglican Diocese of Singapore.

Anchored in God's unfailing love, our mission to relieve suffering and bring

healing to the distressed is manifested through our five pillars of services: **Medical, Senior, Psychiatric, Autism,** as well as **Family and Children.**

Through our Ministry of Love, we strive to care unconditionally for our community by bringing healing to those who are hurt, comfort to those in pain and hope to those who despair. As we continue to be a light in society, we hope that each person will experience an overflowing Love and be empowered to live lives to their fullest potential!
